

Smoking On Washington State Ferries

RCW 46.56.730: "No Smoking" areas on ferries -- Establishment directed.

The legislature finds that the public health, safety, and welfare require that "No Smoking" areas be established on all state ferries since there is a significant number of our citizens who are nonsmokers. The department is hereby authorized and directed to adopt rules pursuant to the administrative procedure act, chapter [34.05](#) RCW, to establish and clearly designate areas on all state operated ferries that are expressly reserved for use by nonsmokers.
